

THE DAILY NEWS.

Life Sure Picture.

Chisel in hand stood a sculptor-boy.
With marble blocks he hewed him;
And his eye lit up with a gleam of joy,
As an angel dream passed o'er him.
He had caught that angel vision.
He carved that statue on a shapeless stone,
With maz a sharp incision;
The soul dream had made his own.
He had caught that angel vision.
Sculpture of Life—such as we stand
With our souls unmeasured by us, free,
Waiting the hour when at God's command
Our life dream passes before us.
If we carry it then on a shapeless stone,
With maz a sharp incision;
The angel dream shall be our own,
Our eye a bright light to you.
